

“Hello There, We’ve Been Waiting For You” -Become a Sponsor of Fiesta-

Dear Supporter:

Tradition and continuity are building blocks that unify and identify this community. Since 1950 and every year thereafter, Truth or Consequences, New Mexico has celebrated its name change by hosting a week long FIESTA, produced by non - profit volunteers held at the beginning of May.

We understand and appreciate the challenging economic times that we are all confronted with. However, we believe citizens recognize and support those companies and individuals whose support for this event is unwavering.

The event is advertised locally as well as in our 12 hour drive radius markets such as El Paso, Tucson, Phoenix, southern Colorado, west Texas, Northern Mexico, and all of New Mexico using radio ads, PSA’s, print media, and at least three major social media outlets. Your name and logo will appear on various printed and digital advertising which gives you and your company an opportunity to build your brand and show your support of this event to your present and future customers. It is a great fun weekend for all ages.

The Board is awarded money from the City to be used only for promotion and advertising. We look to the public for financial support to cover performance fees for music, acts, sound and light equipment rentals and all the other expenses incurred in the production of FIESTA. The board is 100% volunteer driven so rest assured that your entire contribution is earmarked for the event and not operating overhead for the board.

We ask you to continue to be, or start to be a part of the tradition. Your help is greatly appreciated. Please respond by April 1st. 2022

Respectfully Yours,
